

Carpet kits and charts

The **carpet kits** contain 18 count white canvas and Appleton's 2-ply crewel wool, colour block chart, detailed instructions and a needle, as well as thin cotton for fringing, where appropriate.

Chart packs contain a black and white symbol chart, instruction sheet and colour key for Appleton's wools, plus the colour key for Anchor, DMC and Madeira stranded cotton threads. The designs are based on research into authentic styles and historical periods, to make them as realistic as possible. The style codes under each picture are given as a guide to these (see page 28 for a key to the codes).

§ The carpet designs marked with this symbol have some co-ordinating items, such as cushions, chairs or staircarpets. † means Fray Check is recommended - see page 31.
