

Wallhanging kits and charts

These wallhangings would suit residences based on historical periods from medieval to Victorian. **The kits** include 22 count white canvas, colour block chart and clear instructions, tapestry needle, stranded cotton and backing fabric. To hang the tapestry from the wall, there is ribbon to make tabs, a piece of dowel for the pole and enough extra thread included to make a decorative hanging cord, if desired.

Chart packs contain a black and white symbol chart, instruction sheet and colour key for Anchor, DMC and Madeira stranded cotton threads.
