

## Pole screen kits

The kits includes 32 count for the top row and 40 count silk gauze for the bottom four ("4 seasons"), colour block chart and detailed instructions, Anchor stranded cotton, a suitable needle and high quality mahogany pole screen pieces, which are simple to put together with wood glue. The pole screen can be finished with wax polish (available separately - see page 9). All of these designs co-ordinate with other items.

## Table Runner kits

Dining tables and sideboards always look better with something prettily stitched to decorate them! How about making these gorgeous runners, which come in several shapes and sizes.

These table runners are to be stitched on 32 count silk gauze. The kits contain stranded cotton, a generous piece of silk gauze, clear instructions and stitch diagrams, a suitable needle and a colour block chart to count the design from. See the individual products for the dimensions.

As the silk gauze is to be trimmed close to the stitching when finishing it, I recommend sealing the edges first, using Fray Check or a similar fabric glue.
